Re: Heartland Resurgence (C00544551) - Response to Request for Additional
Information Regarding April Quarterly Report

Dear Mr. Jones:

This correspondence issues on behalf of Heartland Resurgence (Committee Identification Number C00544551) and its Treasurer, Mr. Aaron Willard, in response to your Request for Additional Information (RAI) dated September 3, 2014.

As indicated in your letter, it appears that the April Quarterly Report filed by Mr. Willard on behalf of Heartland Resurgence contained some inadvertent errors in its detailed summary pages. Specifically, it appears that the dollar amounts reflected in the Column B sections of the Report's summary pages (including Line 6(a)) were "carry-over" figures from the Committee's year-end 2013 disclosure report rather than "Calendar Year-to-Date" figures for 2014. These technical deficiencies in the Column B section entries were wholly unintentional and the result of a misunderstanding by Mr. Willard about the nature of the data required for the Column B sections on the first report of a new calendar year.

In an effort to swiftly address these errors, Mr. Willard and Heartland Resurgence will immediately seek to amend its April Quarterly Report and correct the financial information contained the Column B sections of the disclosure. An example of what the detailed summary pages will look like in the finalized amendment is attached for your reference. The signed and executed amendment itself will follow in short order.
